COURTYARD

To create the 20-foot-tall courtyard, the team had to dig 11 feet down to lay the footing and foundation. **Sofa and armchairs:** RH. **Restoration Hardware.** **Wicker chairs:** Sutherland Furniture. **Tile:** reclaimed terra-cotta. **Tables:** Teak Warehouse. **Vases:** Jenni Kayne. For more details, see Resources.

New Zealand Christmas Trees are slow-growth and can be maintained at a relatively small scale.
